

Hi Everyone,

I'm taking my 10-year old daughter to Seattle for spring break, so I will be out of the office Wed-Thursday of this week. Next Monday-Wednesday, Sandy Harbanuk, vendor coordinator, and I travel to Michigan to attend the demonstration of their new WIC EBT system. We will learn how Michigan WIC planned for the transition into EBT services and visit vendor and clinic operations. Sandy and I will join the WIC Coordinator's training in Anchorage Thursday and Friday. Becky Carrillo is the acting FNP/WIC program manager in my absence. Please contact Becky if you have program questions or concerns [Rebecca.Carrillo@alaska.gov](mailto:Rebecca.Carrillo@alaska.gov) or 465-8629.

**Subject:** [WIC-TALK] WIC Works Outreach Mailing Feedback - Second Request

The WIC Works Team is looking to gather feedback on its **Summer 2011: Infant Health and Safety** outreach mailing ([wicworks.nal.usda.gov/mailing.html](http://wicworks.nal.usda.gov/mailing.html)). The mailing included a Parents' Guide to Immunizations from Every Child by Two and crib safety materials from the Consumer Product Safety Commission.

If you are a WIC agency that received this mailing and utilized the materials, please email [wicworks@ars.usda.gov](mailto:wicworks@ars.usda.gov). Agencies that respond may be able to receive 100 copies of the Parent's Guide to Immunizations in English and 100 copies in Spanish.
